

Special Masses & Prayer Vigils

ELECTIONS

We've done just about all we can as good citizens during this election season. Now it's time to storm Heaven, to humble ourselves before the Almighty, to pray and to seek His face and turn from our wicked ways, and if we do, He assured us in 2 Chronicles 7:14 that He would hear from Heaven, forgive us, and heal our land! Come join us for special Masses and intense prayer in this final week before the elections that our nation may be blessed with the best leaders who respect life, family, and marriage, for the preservation of our religious liberties, and for the security and well-being of our republic, one nation under God.
